Betting Forecast:—4 Brown Lad, 11-2 Isle of Man, 6 Young Lacto, 8 Orosio, Ceol-Na-Mara, 10 Magic Mountain.
TV SPOTFORM ANALYSIS: BROWN LAD is unbeaten in three races up to three miles in Ireland and certainly shapes like an above-average performer. Has already shown ability to act on heavy ground.
CEOL-NA-MARA stays on well. Best effort was to give Trooper Sib, and a five-length beating in a handicap at Kempton (3m.) in December.

OROSIO improved when tried over this distance to beat Flying Orchid ten lengths on soft going at Chesham 1973: (Aldworth hurdle) WILLIE WUMPKINS, 5-11-6, 11-1, Colville (A. Maxwell).

206	201144	YODOR DANCE (Mrs. T. Fulington) David Nicholson 8-12-0 (D, D4)	

Betting Forecast:—4 Brown Lad, 10 Sunny Lad, 16 Tudor Dance, 25 Shawhan.
TV SPOTFORM ANALYSIS: TUDOR DANCE cannot be opposed, for he is unbeaten over this trip this season, with such weight-carrying performances as his four-length defeat of Verona Forest (received 35lb.) at Doncaster last time out. Only stumbling block could be the going.

ROYAL RELIEF went this race in 1972. Smart efforts in handicap company this season, and he is the danger. AMARIND, former American 'chaser, ran Penlid (five 18lb.) to two lengths at Kempton (3m.) last month. 1973: INKSINGER (USA), 6-12-0, 6-1, Carbery (D. Moore).

Betting Forecast:—5 Garlestown, 6 Silkstone, 8 Parnell, Boony Royal, Copper Canyon, 10 Kastur, 12 Cool Affair, Thatch Ace, 14 Nan on the Moon, Taki, 16 Go to Work, Old Brandy.

TV SPOTFORM ANALYSIS: AMARIND, stable companion of the PONY ROYAL, just has the edge here on his win over THATCH ACE and GARLESTOWN at Warwick (2m. 5f.) in January. Usually comes with a run at the finish, and acts on soft ground.
COPPER CANYON, who has been beaten to a half length by the weights, but his ability to find a most effective finishing kick could continue to put him in with a fighting chance.
TAKI had a length over the Windsor two miles in January. A winner up to two and a half miles, and gives every indication that he has the necessary stamina.
GARLESTOWN has been beaten to a half length by COPPER CANYON (received 6lb.) at Warwick (2m. 5f.) in January. Will be suited by pace and distance.
1973: (George Duller H'cap Hurdle) SILKSTONE, 5-9-9, 10-1, J. James (S. Norton).

Betting Forecast:—4-15 Glenfard, 4 Even Up, 11-2 Ten Up, 8 Paddy's Road House, 12 Boom Docker, 14 Brawnell Boy.

TV SPOTFORM ANALYSIS: EVEN UP has progressed steadily. Both jumping and staying power were impressive in his twenty-five-length victory over Kempton winter Glare Dawn at Newbury (2jm.).
GLANFORD BRIG has come from strength to strength. Gained his sixth victory in a row when beating Money Market by twenty-five lengths at Haydock (3m.) this month.
TEN UP has looked a very useful performer in the making in Ireland. Landed the odds by five lengths from Penel at Leopardstown (2m.) last month.
