Betting Forecast.—2 AVEC MOI, 2 Vulabalo, 6 Charlie Mouse, 8 Levantine, Romanus, 12 Willy What, 14 Sash, Blue Shore, Mahalakshmi, 20 Meneur.

TV SPOTFORM ANALYSIS: AVEC MOI created a favourable impression with a third on Leicester on soft ground at Newbury (2m.) eleven days ago. Clearly above average. LEVANTINE has improved since being held up in his races. Winner twice on heavy going before running a good third at Lingfield (2m.) last month. VULABALOO'S three-length victory over Sash Tooth at Puchestown (2m.) rates him as useful. Suited by plenty of size. CHARLIE MOUSE showed much improved form to beat Barbecue and MAHALAKSHMI (ave 7lb.) on fast going at Doncaster (2m. 150y) last month.

1973: (Gloucestershire Hurdle) KING PELE, 4-10-10, 13-2 D. Nicholson (P.-Gordon). Favourites: 0 2 0 3 (H).

Betting Forecast.—2 Canasta Lad, Dorlesla, 6 Ben More, The Sundance Kid, 8 Well Oiled, Perpet, 12 Nantar.

TV SPOTFORM ANALYSIS: CANASTA LAD jumped really well to account for Garnishie and other more experienced rivals on soft ground in a handicap at Ascot (2m.) last time out in January. Possesses a telling turn of foot. DORLESA gives the impression he is better suited to this trip than the three miles he tackled when runner-up to interview II at Treddars recently. Good winner in novice company earlier this season.

THE SUNDANCE KID had every chance to impress to grief at the last behind Young Samers at Haydock (2m.) this month. Run on strongly to win WELL OILED 3lb. and a length-and-a-half before.

1973: DENYS ADVENTURE, 8-12-1, 8-1, Thorne (T. Foster). Favourites: 0 2 0 1 D.

310	231-120 MOONLIGHT BAY (Mr. J. Mullion) H. Price 5-11-12 (C, D)	J. Haine 67

Betting Forecast.—4-7 Comedy Of Errors, 9-4 Lanzarote, 12 St. Columbus, 16 Brantbridge Farmer, Moonlight Bay, 50 Yenisei, 66 Calzaro.

TV SPOTFORM ANALYSIS: COMEDY OF ERRORS had former Champion Hurdler Ballydoole in fifth place when taking the crown at the expense of the Irish Sweep Hurdle at Leopardstown (2m.) in December, suggest he is even better this campaign. LANZAROTE'S continued improvement since January last year has left him unbeaten in nine races. His warm-up this season cannot be faulted, although his handling left something to be desired at Wincanton (2m.)

BRANTRIDGE FARMER was reckoned as a big Champion Hurdle prospect until breaking down at Sandown in November. Showed his well-being with a very easy victory over Red House at Fawcett (2m. 1/4) last month.

1973: COMEDY OF ERRORS, 6-12-0 8-1, W. Smith (Rimell). Favourites: 1 1 1 3.

421	211213 SWIFT SHADOW (Mrs. A. Gibson) T. Jones 5-11-9 (F)	D. Mould 50

Betting Forecast.—100-30 Swift Shadow, 9-2 Moyne Royal, 6 Lot, 8 True Luck, Sea Tale, 9 Highland ABBE, 10 Silent Partner, 14 Red House, Carbury's Prince.

TV SPOTFORM ANALYSIS: SWIFT SHADOW has made up into a really useful staying hurdler. Produced a good turn of foot in account for Lanzarote at Ascot (2m.) in December. Good effort to get within four lengths of Lanzarote at Ascot (2m.) in December.

MOYNE ROYAL may not have been at his best in SWIFT SHADOW'S Wolverhampton race. Runs well on this course, and was a comfortable winner of this event last year.

TRUE LUCK has been performing well over fences since scoring an easy win over HIGHLAND ABBE at Stratford (2m. 6f.) in October. Clear chance on that form.

LOT'S useful efforts in handicap company include a close fourth to St. Columbus at Sandown (2m.) in December. Shaped as though he will appreciate this trip.

1973: MOYNE ROYAL, 8-11-12, 10-1, Mould (Pitt). Favourites: 3 2 1 0.
