BANK ON PROPHECY

THE PATTERNS of the past twenty-seven years can help to eliminate the most unlikely contenders, and past Aintree experience has little bearing on the result.

WEIGHT: No horse has won under 12st. or more since Reynoldstown (12st. 2lb.) in 1936.

AGE: A 'chaser is reckoned to be at his peak at nine and 13 of this age group have won since the war. Eight-year-olds have scored seven times in the same period.

THE IRISH: Mr.

What in 1958 was the last Irish-trained winner.

THE FAVOURITE: Has a poor record, last to win being Merryman II in 1960.

MARES: Poor record, last to score being Nickel Coin (1951). Only Princess Camilla this year.

GREYS: Only Grey Sombro. This colour last won in

1961 with Nicolaus Silver.

TRAINERS: Neville Crump and Fred Rimell three times and Fred Winter twice.

JOCKEYS: Tim Norman, Brian Fletcher and Pat Buckley.

I am looking for a 'chaser who has had a steady preparation and shown improved form in the process. Backed up by the trends of age and weight, I select **PROPHECY**.
