EARTH SUMMIT gave proud owner Nigel Payne a lifetime thrill when landing the 1998 Grand National.

Today he's looking for lightning to strike in the same place again. "The horse is in great shape and we are looking for a big run from him," declared Payne.

"EARTH SUMMIT (3.45) has to be my pick for the Ladbrokes' Charity Bet. I will put the £100 on the nose and winnings go to the Kosovo appeal."

1998: GLEN OGIL 4-8-5 Paul Cleary 5-1 (M R Channon) 8 ran. **Favourites:** - - - - 3

NEWSBOY'S VERDICT: INTERNAL AFFAIR has one small win to his name, but looks a horse capable of doing better. Likely to be suited by this distance judged on his final 1998 effort at Newbury. RIBBLE ASSEMBLY won well at the last meeting here and is a big threat. TOP JEM left an earlier poor run behind when winning at Leicester.

HOW TO BET ON THE RACE Ladbrokes

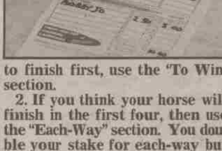

PLACING your Martell Grand National bet with Ladbrokes could not be easier.

You will find the special Grand National Betting slip on display in the special Grand National section of every Ladbrokes shop, where you will also find all the runners and riders plus a simple guide to completing your slip.

Every shop today will have a special helper wearing a green jumper emblazoned with the words' "I'm here to help". They will assist you if you are at all unsure about what to do.

Here is a simple four step guide to placing your National bet:

1. If you fancy your chosen horse

to finish first, use the 'To Win' section.

2. If you think your horse will finish in the first four, then use the "Each-Way" section. You double your stake for each-way but that does not mean you have to pay more. A £10 win or £5 each-way comes to the same thing.

3. If you want to pick more than one horse, you can use the same slip.

4. Then just total up your bets and decide whether you want to pay your 9% deduction (commonly known as tax) in advance. You're not obliged to of course, but if you don't 9% will be deducted from your winnings.

Don't forget, Ladbrokes shops will be open from 9am today. After you have finished celebrating your win, you can come back and collect your winnings up to 6pm tonight, or any other day that suits you. You can pick up your winnings from any of Ladbrokes 1,900 shops nation-wide.
